【试题再现】

Mark had a secret: he couldn't ride a bike. It wasn't because he never tried. His father taught him one summer when he was seven. He ran alongside him, holding the seat, and shouting "Keep pedalling (踩踏板)!" But Mark's balance was terrible. He fell into the bushes, and both knees bled. After two weeks of trying, his dad sighed, "Maybe next year." But that "next year" never came. The childhood shame stayed with him.

Then, he grew up and had a family of his own. He never shared the secret with anyone but his wife, Lena. Most of the time, it didn't matter. When friends invited him on bike trips, he volunteered to drive and bring snacks. When the kids were old enough to learn to ride, Lena offered to teach them.

But lately, his twelve-year-old daughter Alice and seven-year-old son Bob were planning the first-ever "Family Bike Adventure." They had picked a campsite (营地) by the lake and mapped a biking route around it. Every night, they'd argue about who would win the family race. Mark smiled through every conversation, but inside, his stomach tightened. In every other way, Mark was a perfect dad. He never missed a school event and could fix everything in the house. Admitting he couldn't ride? That was hard.

So he made a plan. After the kids went to bed, he slipped out and wheeled a bike to the empty market parking lot to practise. But thirty years after that summer, his body still remembered nothing. The bike seemed to have a mind of its own, and he just couldn't control it. His legs shook. His hands ached. Sometimes he would crash into the wall.

The next day, Alice, a considerate girl, asked about his bruised (淤青的) knees. But he said nothing. After several nights, Lena said to him, "You don't have to do this. The kids don't care. No one can do everything." Mark shook his head. "They think I can. Let me try a little longer."

One night, after he fell off the bike again, he heard a voice. "Dad?" His heart stopped.

注意：

- 1.续写词数应为 150 左右；
- 2.请按如下格式在答题卡的相应位置作答。

It was Alice, who had followed him out of curiosity.

That Saturday, when his family went biking, Mark stayed at the campsite happily.

【参考范文】

It was Alice, who had followed him out of curiosity. She happened to see him leave at night and the bruises on his knees made her worried. “Dad, what are you doing?” she asked. Mark picked up the bike slowly and asked her to sit down with him. Then he told her everything — the summer at seven, the years of excuses, the fear of letting them down. Alice listened quietly. When he finished, he felt a little embarrassed. But Alice just hugged him. “Dad, we don’t care whether you can ride,” she whispered. “We just want you to be with us.” Mark hugged her back, his throat tight. “Okay,” he said softly. “Of course, I’ll be there.” (107词)

That Saturday, when his family went biking, Mark stayed at the campsite happily. He set up the tent, lit the campfire, and started cooking dinner: steak, chicken wings, hot dogs, hot chocolate — everything the kids loved. An hour later, the kids came riding back, tired and hungry. “Daddy! I’m starving!” Bob shouted, grabbing a piece of steak. Alice drank the hot chocolate, leaning against him. “You are the best dad in the world,” she whispered. That night, watching his children sleep soundly, Mark smiled. He couldn’t ride a bike. But he could take good care of the family. And that was enough. (89词)

【命题意图】

本次读后续写的主题语境属于人与自我范畴，聚焦直面不完美、接纳自我与亲情包容的核心主题。故事通过父亲 Mark 隐瞒不会骑自行车的秘密、偷偷练习却屡屡受挫，最终被女儿发现并获得理解的经历，传递出深刻的意义：没有人是完美的，不必因自身短板陷入自卑与焦虑；家人的爱与陪伴，远胜于所谓的“全能形象”；真正的成长，是敢于直面自身不足、接纳不完美的自己，同时珍惜家人无条件的包容与支持。这引导学生树立正视缺点、拥抱真实、珍视亲情的健康价值观。

【试题解读】

- 1. 背景设定：Mark 藏着一个多年秘密——7岁学骑自行车失败，留下心理阴影，从未学会骑车。
- 2. 核心冲突：儿女计划家庭自行车冒险，Mark不想让孩子失望，深夜偷偷练车却频频摔倒，身心俱疲。
- 3. 情节发展：Mark的异常被妻子 Lena 察觉，妻子劝他放弃，他却因不想打破孩子心中“完美爸爸”的形象坚持练习。
- 4. 续写前情：Mark再次摔倒时，被女儿Alice发现，故事迎来关键转折。

【原文伏笔与续写结合解读】

伏笔方向	伏笔细节	相关续写内容
Mark 的秘密与自卑	7 岁学骑车摔倒、膝盖流血，多年隐瞒秘密，用开车、让妻子教孩子骑车回避问题	续写中 Mark 向女儿坦白童年学车失败、多年逃避的经历，呼应前文“童年羞耻感”，解开秘密的核心伏笔
Mark 的心理压力	儿女规划家庭骑行、期待比赛，Mark 表面微笑内心紧张，不想让孩子失望	Alice 的安慰“我们不在乎你会不会骑车，只想你陪着我们”，直接化解 Mark 的心理负担，回应他的焦虑根源
Mark 的受伤细节	深夜练车摔倒、膝盖淤青，被 Alice 发现	Alice 因看到 Mark 的淤青心生担忧才跟踪他，推动“秘密被发现”的情节，逻辑连贯
Mark 的家庭角色	完美爸爸，从不缺席孩子活动、擅长修理家中事物，擅长照顾家人	续写第二段 Mark 在营地搭帐篷、生火、做美食，用心陪伴家人，凸显他“擅长照顾家庭”的核心优势，呼应“完美爸爸”的设定
妻子 Lena 的态度	劝 Mark 不必勉强，家人不会在意	与 Alice 的理解形成呼应，强化家庭包容的主题，证明 Mark 的担心是多余的

【期待写作思路】

第一段思路（对应段首句：**It was Alice, who had followed him out of curiosity.**）

紧扣“跟踪发现”展开，先交代 Alice 跟踪的原因（好奇 + 担心父亲淤青），再写 Mark 坦诚多年秘密，最后以女儿的拥抱与安慰收尾，突出亲情包容的情感，实现从“隐瞒焦虑”到“释然坦白”的转变。（完成秘密揭晓的关键情节，化解 Mark 的心理包袱，推动故事走向温暖转折）

第二段思路（对应段首句：**That Saturday, when his family went biking, Mark stayed at the campsite happily.**）

从“开心独自留在营地”切入，描写 Mark 发挥自身优势，为家人准备露营美食、打理营地，再通过家人骑行归来后的温暖互动，体现 Mark 的价值与幸福感。结尾以 Mark 的内心感悟升华主题：不完美也能成为好爸爸，陪伴与爱才是家人最需要的。（呈现故事圆满结局，升华主题）

备注：

若学生不关注文章伏笔和主题意义，强行写 Mark 学会骑车，并且参与家庭的骑车比赛，阅卷时应酌情扣分。

写作 第二节

It was Alice, who had followed him out of curiosity. Embarrassed and self-conscious, Mark clumsily picked himself up, slowly turned around and forced a smile. "Kiddo, what brings you here?" Recalling Mark's bruised knees on the other day and relating the fact to the scene now, Alice immediately came to the realization that her father isn't able to ride a bike but he's still sparing no efforts to practise for their "Family Bike Adventure". Instead of answering Mark's words, Alice ran towards him and threw him into a warm hug. "Dad, you don't really have to do this. We can still go on the adventure without you riding." Hearing her words, Mark felt relieved and warmed. Together they came home and revealed the truth to Bob, who also expressed his understanding. Later they revised the initial plan and Bob offered to prepare delicious meals for them.

That Saturday, when his family went biking, Mark stayed at the campsite happily. Feeling relaxed and at ease, Bob prepared the ingredients to his heart's content and then carefully barbecued the vegetables and meat, imagining the surprised faces from his lovely kids and wife. After about two hours, the kids flew back and argued who reach the destination first, whose expression turned into excitement and happiness at the sight of the best-ever delicacies. They rushed over and wolfed down at the barbecues, exclaiming, "You are the best dad in the world!" "I love you!" Lena also came with a joyful nudge, "See, the kids love you and they don't care if you can't ride." It suddenly hit Mark that no one could do everything and what matters is to ~~do~~ do what you can to the utmost instead of worry about what you can't do.

写作 第二节

It was Alice, who had followed him out of curiosity. Seeing his daughter standing behind him, Mark knew that he could no longer keep the secret. He pulled the bike aside, sitting on the ground, letting out a sigh of frustration: "As you see, I can't ride a bike. I cheated you." Then he lowered down his head, avoiding to see the disappointed expression on his little girl's face. However, what he felt was just a warm hand patting him on the shoulder. He raised his head, encountering Alice's smile, she said: "We already know." Mark's eyes widened, he could feel his face burning. Alice continued: "You are not required to do everything, Dad. You have already been our superhero." Hearing these words, Mark felt he was overwhelmed by a flood of warmth. He picked up the bike, grabbing Alice's small hand with his big one, smiling: "Well, let's return home."

That Saturday, when his family went biking, Mark stayed at the campsite happily. Watching Lena and his kids riding away, Mark started to preparing the food for them. He always did this kind of thing, but this time, he didn't feel ashamed at all. Time flew and Mark eventually heard a cheerful voice: "I win!" He saw Alice, the little winner, was throwing her arms into the air, following by Lena and Bob. The tired kids ran into the camp, when they saw the snacks, their eyes lit up. "How cool you are, Dad!" the kids said with their ~~man~~ mouth filling with food. Mark grinned an ear-to-ear smile, as if he also won the family race. He knew that everyone had something they couldn't do, but there were our beloved ones who would accept the imperfect us. The glistening sunshine filtered through the camp, witnessing the family enjoying their time with each other.

写作 第二节

It was Alice, who had followed him out of curiosity. She has noticed her father's bruised knees several times, she was curious the reason and now she got the truth. Just as Mark wanted to explain, Alice, who was a considerate and clever girl, introduced herself to be the coach to his dad. In this moment, Alice seems like a candle, illuminates herself and others lives, offers warm to Mark. Then they took their bike to empty market quietly. At first, Mark couldn't control the bike like before and fall into the ground several times. But surprisingly, with supports and power of love from Alice, Mark, who had a terrible balance gradually controlled the bike and rode it freely. They celebrated for the success they made and went home joyously.

That Saturday, when his family went biking, Mark stayed at the campsite happily. He then rode his bike and attended the family race. They freely and happily rode through the forests and breathed the fresh air. Although Mark rode the last one, Alice and Bob didn't play a joke on Mark, but encouraged him to train more and beated them next time. On hearing that, Mark's eyes were blurred, he opened his arms to give them a warm hug. The experience taught Mark a lasting lesson that, perserverance was the key road to success, and supports, loves from others would undoubtedly offer power for you. Remember that never give up and we'll be successful for a better future.

文章书写整体工整，但内容与语言层面存在严重问题。

- ❖ **内容：**严重偏离原文主线，违背了“Mark stayed at the campsite happily”的段首句设定，写 Mark 学会骑车并参加了骑行活动，主题从“接纳不完美”偏移到“坚持就能成功”，与原文核心立意完全不符；情节逻辑混乱，人物行为前后矛盾。
- ❖ **语言：**拼写、语法错误密集，句子结构破碎，大量用词不当与中式英语表达，严重影响表意。
- ❖ **建议：**首先要严格遵循段首句设定，确保情节不偏离主线；其次系统修正拼写、语法错误，梳理句子结构，提升语言表达的准确性与流畅度。例如：①修正人物指代混乱问题，统一视角；②调整第二段情节，使其与“Mark stayed at the campsite happily”的设定一致；③修正“The Mark say he leaning the bike”等破碎的句子结构。
