临摹范文

Dear Tom,

I'm glad you want to prepare a special Chinese New Year dinner for your Chinese friends in the UK. There are several traditional Chinese dishes that are perfect for the occasion.

Dumplings are a popular choice as they symbolize wealth and good luck in Chinese culture. Fish is also a good option as it represents abundance and prosperity. However, to make the dinner more inclusive, you could also consider incorporating British elements into the menu. For example, you could serve Chinese dishes with British-style roasted vegetables or add British-inspired desserts to the menu.

I hope these suggestions help you create a memorable Chinese New Year celebration for your friends.

Best regards, Li Hua
