优秀表达

1. 【复杂句型（独立主格结构）】Loneliness and helplessness shining in his eyes, I realized how rude my rumor was.

这句运用了独立主格结构作状语，生动描绘出Del当时孤独无助的状态，让句子充满画面感，是非常巧妙的复杂句型运用，能看出你对句型的灵活掌握，很棒！

2. 【习语】A school is a destiny that ties people together, everybody should stand in others' shoes, avoid doing things that will hurt others.

你使用了“stand in others' shoes”这个地道的习语（意为“换位思考”），准确传达了体谅他人的观点，值得肯定！不过有个小细节可以改进：“others”是复数名词，所有格应为“others' shoes”，去掉多余的“s”就更规范啦。

3. 【生动描写】I gave Del a big hug and thunderous applause rose in the class.

“thunderous applause”这个表达太生动了！用“thunderous”（如雷声般的）修饰“applause”，形象表现出同学们热烈鼓掌的场景，让文字更有感染力，你的描写能力真不错！

At recess the next day, I saw Del sitting alone watching the kickball game. Loneliness and helplessness shone in his eyes, and I realized how rude my rumor had been. I determined I should do something to compensate for my huge mistake. I stepped forward, sat beside Del and said, "Del, I'm so sorry. Yesterday, I spread a rumor that you were expelled for beating up a kid. I never imagined it would have such an effect on you." He nodded and sighed, "It's not all your fault. I shouldn't have been so naughty in the past." I felt so guilty that I even forgot what I could do to restore his image; I just stared at Del and asked, "Could you forgive me?" "Yes!" he said without hesitation. Now that Del had forgiven me, I decided to do more before the recess was over. "Please wait a moment," I spoke loudly to the whole class, "we completely misunderstood Del. Yesterday, the kid next to Del was his little brother, and he was crying because their mother was sent to the hospital! Del did nothing wrong this time, so please don't leave him out!" I gave Del a big hug, and thunderous applause broke out in the class. Soon, one team invited Del to join them, and they continued the game. I could tell this was the most fulfilling thing I had ever done at school. No one in our class should be biased, even if they have made mistakes before. A school is a place that connects people, and everyone should put themselves in others' shoes to avoid hurting them.

范文

At recess the next day, I saw Del sitting alone watching the kickball game. His usual confident demeanor was gone, replaced by a quiet sadness that tugged at my heart. I hesitated for a moment, then walked over and sat beside him. "Hey," I said, trying to sound casual. Del glanced at me, surprised. "Why are you talking to me? Don't you think I'm a bully?" he asked, his voice tinged with bitterness. I shook my head. "I know the truth now," I admitted. "About your brother and your mom. I'm really sorry for what I said." Del sighed, looking down at his hands. "It's fine," he muttered, but I could tell it wasn't.

Now that Del had forgiven me, I decided to do more before the recess was over. I stood up and called out to the kids playing kickball. "Hey, let Del join the game!" A few of them frowned, but others hesitated, glancing at Del. "Come on," I urged. "He's always played with us before." Slowly, one of the players nodded. "Alright, Del, you're on our team." Del's face lit up with a small smile as he stood and joined the game. By the end of recess, the tension had eased, and Del was laughing with the others. As we walked back to class, he turned to me. "Thanks, Jamie," he said, using my real name for the first time. I smiled, feeling a warmth spread through me. Maybe Del wasn't so bad after all.
