As the twins looked around them in disappointment, their father appeared. He scanned the kitchen, quickly figuring out what had happened. Sighing softly, he felt a mix of emotions—while the kitchen was indeed a mess, his children had clearly grown up. Seeing their father’ s sigh, the twins lowered their eyes, thinking they were to blame. However, their father chuckled and joined them in cleaning up. Then they hurried to prepare breakfast since time was tight. They skipped the porridge as it was too time-consuming. Father took some yogurt from the fridge and let the twins decorate it with fresh fruits and biscuits. With their joint efforts, the breakfast was soon ready.

The twins carried the breakfast upstairs and woke their mother up. Looking at the surprise breakfast, mother beamed with happiness. She pulled Jenna and Jeff into her arms, thanking them for the lovely surprise. Suddenly she noticed Jeff’ s hand and spotted his wound. Jenna then told her that Jeff got injured when touching the hot burner, and Jeff mumbled that it was true. Mother stroked Jeff’ s head and comforted him gently. She said, "Sometimes we may encounter setbacks or injuries like this, but eventually we’ ll find sweetness in life after persistent efforts." The twins chuckled, kissed their mother, and thanked her for her warm words. This Mother’ s Day surprise would stay in their memories forever.

As the twins looked around them in disappointment, their father appeared. He was shocked to see all the mess, but once he thought of the date, a smile of understanding flashed across his face. Without any delay, he walked into the kitchen saying, "let's make it together!" Under their father's guidance, Jeff stood by the pot and stirred the porridge from time to time while Jenny fried the toast with great caution. Unexpectedly, this time it didn't take long before French toast and chicken porridge were ready, which sent an inviting smell floating around the room.

The twins carried the breakfast upstairs and woke their mother up. "Happy Mother's Day!" the twins cheered. The moment Mother glimpsed the breakfast which was giving off a tantalizing aroma, her eyes were moistened. When she took a bite of bread and tasted the porridge, the twins looked anxious, wondering if mom would like their special present. "This is the most wonderful delicacy in the world," Mom praised, feeling pleased and proud of the Mother's Day surprise she got. At this moment, the father gently stepped into the bedroom and gazed at the three, smiling not only with his lips but also his eyes. Perhaps nothing was better than the kids' love and gratitude for their mom.
